

## Letters and Sounds

The phonic scheme that is used in our academy is Letters and Sounds.

It is a scheme that supports linking sounds and letters in the order they occur in words, and naming and sounding the letters of the alphabet. It draws on and promotes other areas of learning described in the Early Years Foundation Stage [EYFS], particularly Personal, Social and Emotional Development and Creative Development.

There are lots of opportunities to enrich children's language across the six areas of learning;

- Personal, Social and Emotional Development
- Communication, Language and Literacy
- Problem Solving, Reasoning and Numeracy
- Knowledge and Understanding of the World
- Physical Development
- Creative development
