

Dear parents and carers,

We are pleased to provide you with details of teachers' responsibilities for the next school year.

As the children's education has been so disrupted this year we are taking the positive step of making sure that every child currently in school has at least one teacher from this year, as their teacher next year. The children have had so many changes to their lives to cope with this year, we very much hope that they welcome the opportunity to return to the same teacher next year and a familiar, friendly face.

We know that many of our children will be very disappointed by the thought of not saying goodbye to their current teacher or teachers and now they won't need to.

Our arrangements for next year mean that we do not need to worry about handover conversations from one teacher to the next as teachers already know the children. All learning opportunities can be very productive right from the start of the year.

We also appreciate that it has been a worrying, unsettled and busy time for parents this year. We hope that you will be pleased to have the opportunity to continue to develop relationships and partnerships with teachers you are already familiar with.

I am delighted that all of our current teachers will still be with us in September and we have welcomed Mr Donald, Miss Mew and Miss Smith in recent week to team St Blasius! Please see the information about our new team members included in the newsletter this week.

You will also see that Ms P is moving to Year 1 with her current class from Reception. She will of course, still be the early Years Leader as part of her responsibilities as Assistant Principal. Ms P will work closely with all of the Reception Team to make sure that our new children joining us have the best possible start to life at St Blasius.

Our amazing team of support staff will all still be with us too in September and we are so lucky to have such a caring, talented and hardworking group of staff to nurture and educate your children.

Mrs Wilson will also be in school one day a week as RE lead.

Mrs Nicki Mobley will become the Principal of St Blasius from September.

I will move back to my role of Chief Executive Officer of the Trust in September but will be a regular visitor to the academy for the whole of the school year.

With many thanks for your incredible support for us this year,

Mrs Perkins.
