

St Blasius Shanklin CE Primary Academy – Physical Education (PE) Curriculum overview

Intent

At St Blasius children will succeed and excel in competitive sport and other physically demanding activities. Pupils will be physically confident, understand their health and fitness needs and embody the academy values whilst engaged in sporting activities. Children will have acquired a wide range of skills across a variety of activities.

Implementation

Our progressive curriculum ensures the delivery of high-quality teaching and learning opportunities for all areas of the PE National Curriculum. Technical glossaries and skills posters support teachers in their subject knowledge, allowing them to share technical vocabulary and skills clearly, confidently and concisely. Our overarching aim is for school staff to have the knowledge and skills they need to feel confident in teaching all areas of PE, regardless of their main areas of expertise. The curriculum allows existing skills to be built upon and develop new or more advanced skills. It also allows for revision to become part of good practice and ultimately helps build depth to the children's knowledge, skills and understanding in PE. The timetable is aimed at ensuring all children have access to at least 2 hours of physical activity each week. Additional movement and brain breaks are timetabled in to assist with promoting healthy and active lifestyles, such as the Daily Mile, Forest Schools, and Brain Gym.

Impact

The impact of the teaching of PE is progressive to ensure that learners develop detailed knowledge and skills across the full breadth of the PE curriculum through engaging and age-appropriate curriculum content. The high quality and consistent approach to PE teaching, should significantly improve attainment in knowledge and skills in PE. The impact of using a full range of resources, including display materials, will increase the profile of sport, PE and physical activity across the school. With technical PE vocabulary displayed, spoken and used by all learners, the learning environment will be more consistent across both key stages.

Whole school and parental engagement will be improved through the use of active assemblies and outside coaches where appropriate e.g. swimming, cricket, cycling, etc.

PE Long Term Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Multi-skills Multi-skills	Multi-skills Gymnastics	Balance Bikes	Balance Bikes	Multi-skills Dance	Athletics
Year 1	Multi-skills Multi-skills	Multi-skills Gymnastics	Multi-skills Dance	Net & Wall Multi-Skills	Striking & Fielding OAA	Athletics
Year 2	Multi-skills Invasion Games	Multi-skills Gymnastics	Multi-skills Dance	Net & Wall Circuit/ Fitness training	Striking & Fielding OAA	Athletics
Year 3	Multi-skills Invasion Games	Cross Country Gymnastics	Invasion Games Dance	Net & Wall Circuit/ Fitness training	Striking & Fielding OAA	Athletics
Year 4	Multi-skills Invasion Games	Cross Country Gymnastics	Invasion Games Dance	Net & Wall Circuit/ Fitness training	Striking & Fielding OAA	Athletics
Year 5	Multi-skills Invasion Games	Cross Country Gymnastics	Invasion Games Dance	Net & Wall Circuit/ Fitness training	Striking & Fielding OAA/ Leadership	Athletics
Year 6	Multi-skills Invasion Games	Cross Country Gymnastics	Invasion Games Dance	Net & Wall Circuit/ Fitness training	Striking & Fielding OAA/ Leadership	Athletics

Age-related Expectations and Coverage

Early Years Foundation Stage (Early Learning Goals linked to Physical Development)

During the EYFS, the learning environment, adult-led activities and child initiated activities will be planned and supported to encourage progress in Physical Development. Children at the end of the EYFS who have reached the expected level of development will be able to:

Gross Motor Skills

- Negotiate space and obstacles safely, with consideration for themselves and others.
- Demonstrate strength, balance and coordination when playing.
- Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.

Fine Motor Skills

- Use a range of small tools, including scissors, paintbrushes and cutlery.

Key Stage 1

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.

Pupils should be taught to:

- master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- participate in team games, developing simple tactics for attacking and defending
- perform dances using simple movement patterns.

Key Stage 2

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- use running, jumping, throwing and catching in isolation and in combination
- play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending
- develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
- perform dances using a range of movement patterns
- take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Swimming and water safety

All schools must provide swimming instruction either in key stage 1 or key stage 2.

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

Skills Progression Map

ALL SPORTS – HEALTH AND FITNESS						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Describe how the body feels when still and when exercising.	Describe how the body feels before, during and after exercise. Carry and place equipment safely.	Recognise and describe how the body feels during and after different physical activities. Explain what they need to stay healthy	Recognise and describe the effects of exercise on the body. Know the importance of strength and flexibility for physical activity. Explain why it is important to warm up and cool down.	Describe how the body reacts at different times and how this affects performance. Explain why exercise is good for your health. Know some reasons for warming up and cooling down	Know and understand the reasons for warming up and cooling down. Explain some safety principles when preparing for and during exercise.	Understand the importance of warming up / cooling down, carry out safely and effectively. Understand why exercise is good for health, fitness and wellbeing. Know ways they can become healthier.

ATHLETICS						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Run in different ways for a variety of purposes.	Vary their pace and speed when running. Run with a basic technique over different distances. Show good posture and balance. Jog in a straight line. Change direction when jogging. Sprint in a straight line. Change direction when sprinting. Maintain control as they change direction when jogging or sprinting	Run at different paces, describing the different paces. Use a variety of different stride lengths. Travel at different speeds. Begin to select the most suitable pace and speed for distance. Complete an obstacle course. Vary the speed and direction in which they are travelling. Run with basic techniques following a curved line.	Identify and demonstrate how different techniques can affect their performance. Focus on their arm and leg action to improve their sprinting technique. Begin to combine running with jumping over hurdles.	Confidently demonstrate an improved technique for sprinting. Carry out an effective sprint finish. Perform a relay, focusing on the baton changeover technique. Speed up and slow down smoothly.	Accelerate from a variety of starting positions and select their preferred position. Identify their reaction times when performing a sprint start. Continue to practise and refine their technique for sprinting, focusing on an effective sprint start.	Recap, practise and refine an effective sprinting technique, including reaction time. Build up speed quickly for a sprint finish. Run over hurdles with fluency, focusing on the lead leg technique and a consistent stride pattern. Accelerate to pass other competitors.

ATHLETICS						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
		Be able to maintain and control a run over different distances	Focus on trailing leg and lead leg action when running over hurdles. Understand the importance of adjusting running pace to suit the distance being run		Select the most suitable pace for the distance and their fitness level in order to maintain a sustained run. Identify and demonstrate stamina, explaining its importance for runners	Work as a team to competitively perform a relay. Confidently and independently select the most appropriate pace for different distances and different parts of the run. Demonstrate endurance and stamina over longer distances in order to maintain a sustained run.
Jump in a range of ways, landing safely	Perform different types of jumps: for example, two feet to two feet, two feet to one foot, one foot to same foot or one foot to opposite foot. Perform a short jumping sequence. Jump as high as possible. Jump as far as possible. Land safely and with control. Work with a partner to develop the control of their jumps	Perform and compare different types of jumps: for example, two feet to two feet, two feet to one foot, one foot to same foot or one foot to opposite foot. Combine different jumps together with some fluency and control. Jump for distance from a standing position with accuracy and control. Investigate the best jumps to cover different distances. Choose the most appropriate jumps to cover different distances. Know that the leg muscles are used when performing a jumping action.	Use one and two feet to take off and to land with. Develop an effective take-off for the standing long jump. Develop an effective flight phase for the standing long jump. Land safely and with control.	Learn how to combine a hop, step and jump to perform the standing triple jump. Land safely and with control. Begin to measure the distance jumped.	Improve techniques for jumping for distance. Perform an effective standing long jump. Perform the standing triple jump with increased confidence. Develop an effective technique for the standing vertical jump (jumping for height) including take-off and flight. Land safely and with control. Measure the distance and height jumped with accuracy. Investigate different jumping techniques.	Develop the technique for the standing vertical jump. Maintain control at each of the different stages of the triple jump. Land safely and with control. Develop and improve their techniques for jumping for height and distance and support others in improving their performance. Perform and apply different types of jumps in other contexts. Set up and lead jumping activities including measuring the jumps with confidence and accuracy.
Roll equipment in different ways. Throw underarm. Throw an object at a target	Throw underarm and overarm. Throw a ball towards a target with increasing accuracy. Improve the distance they can throw by using more power.	Throw different types of equipment in different ways, for accuracy and distance. Throw with accuracy at targets of different heights. Investigate ways to alter their throwing technique	Throw with greater control and accuracy. Show increasing control in their overarm throw. Perform a push throw. Continue to develop techniques to throw for	Measure the distance of their throws. Continue to develop techniques to throw for increased distance.	Throw a variety of implements using a range of throwing techniques. Measure and record the distance of their throws. Continue to develop techniques to throw for increased	Measure and record the distance of their throws. Continue to develop techniques to throw for increased distance and support others in improving their personal best. Develop and refine

ATHLETICS						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
		to achieve greater distance.	increased distance.		distance.	techniques to throw for accuracy
Control their body when performing a sequence of movements Participate in simple games	Begin to perform learnt skills with some control. Engage in competitive activities and team games.	Perform learnt skills with increasing control. Compete against self and others.	Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner	Perform and apply skills and techniques with control and accuracy. Take part in a range of competitive games and activities	Consistently perform and apply skills and techniques with accuracy and control. Take part in competitive games with a strong understanding of tactics and composition.	Perform and apply a variety of skills and techniques confidently, consistently and with precision. Take part in competitive games with a strong understanding of tactics and composition.
Talk about what they have done. Talk about what others have done.	Watch and describe performances. Begin to say how they could improve.	Watch and describe performances, and use what they see to improve their own performance. Talk about the differences between their work and that of others.	Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.	Watch, describe and evaluate the effectiveness of performances, giving ideas for improvements. Modify their use of skills or techniques to achieve a better result.	Choose and use criteria to evaluate own and others' performance. Explain why they have used particular skills or techniques, and the effect they have had on their performance.	Thoroughly evaluate their own and others' work, suggesting thoughtful and appropriate improvements.

GAMES						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Hit a ball with a bat or racquet.	Use hitting skills in a game. Practise basic striking, sending and receiving.	Strike or hit a ball with increasing control. Learn skills for playing striking and fielding games. Position the body to strike a ball.	Demonstrate successful hitting and striking skills. Develop a range of skills in striking (and fielding where appropriate). Practise the correct batting technique and use it in a game. Strike the ball for distance.	Use a bat, racquet or stick (hockey) to hit a ball or shuttlecock with accuracy and control. Accurately serve underarm. Build a rally with a partner. Use at least two different shots in a game situation. Use hand-eye coordination to strike a moving and a stationary ball.	Use different techniques to hit a ball. Identify and apply techniques for hitting a tennis ball. Explore when different shots are best used. Develop a backhand technique and use it in a game. Practise techniques for all strokes. Play a tennis game using an overhead serve	Hit a bowled ball over longer distances. Use good hand-eye coordination to be able to direct a ball when striking or hitting. Understand how to serve in order to start a game.

GAMES						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Roll equipment in different ways. Throw underarm. Throw an object at a target. Catch equipment using two hands.	Throw underarm and overarm. Catch and bounce a ball. Use rolling skills in a game. Practise accurate throwing and consistent catching.	Throw different types of equipment in different ways, for accuracy and distance. Throw, catch and bounce a ball with a partner. Use throwing and catching skills in a game. Throw a ball for distance. Use hand-eye coordination to control a ball. Vary types of throw used.	Throw and catch with greater control and accuracy. Practise the correct technique for catching a ball and use it in a game. Perform a range of catching and gathering skills with control. Catch with increasing control and accuracy. Throw a ball in different ways (e.g. high, low, fast or slow). Develop a safe and effective overarm bowl.	Develop different ways of throwing and catching	Consolidate different ways of throwing and catching, and know when each is appropriate in a game.	Throw and catch accurately and successfully under pressure in a game.
Move a ball in different ways, including bouncing and kicking. Use equipment to control a ball.	Travel with a ball in different ways. Travel with a ball in different directions (side to side, forwards and backwards) with control and fluency	Bounce and kick a ball whilst moving. Use kicking skills in a game. Use dribbling skills in a game.	Move with the ball in a variety of ways with some control. Use two different ways of moving with a ball in a game.	Move with the ball using a range of techniques showing control and fluency.	Use a variety of ways to dribble in a game with success. Use ball skills in various ways, and begin to link together.	Show confidence in using ball skills in various ways in a game situation, and link these together effectively
Kick an object at a target.	Pass the ball to another player in a game. Use kicking skills in a game.	Know how to pass the ball in different ways.	Pass the ball in two different ways in a game situation with some success.	Pass the ball with increasing speed, accuracy and success in a game situation.	Pass a ball with speed and accuracy using appropriate techniques in a game situation.	Choose and make the best pass in a game situation, link a range of skills together with fluency, e.g. passing and receiving the ball on the move.
			Know how to keep and win back possession of the ball in a team game.	Occasionally contribute towards helping their team to keep/win back possession of the ball in a team game.	Keep and win back possession of the ball effectively in a team game.	Keep and win back possession of the ball effectively and in a variety of ways in a team game.
Move safely around the space and equipment. Travel in different ways, including sideways and backwards.	Use different ways of travelling in different directions or pathways. Run at different speeds. Begin to use space in a game.	Use different ways of travelling at different speeds and following different pathways, directions or courses. Change speed/direction whilst running. Begin to	Find a useful space and get into it to support teammates.	Make the best use of space to pass and receive the ball.	Demonstrate an increasing awareness of space.	Demonstrate a good awareness of space.

GAMES						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
		choose and use the best space in a game.				
Play a range of chasing games.	Begin to use the terms attacking and defending. Use simple defensive skills such as marking a player or defending a space. Use simple attacking skills such as dodging to get past a defender.	Begin to use and understand the terms attacking and defending. Use at least one technique to attack or defend to play a game successfully.	Use simple attacking and defending skills in a game. Use fielding skills to stop a ball from travelling past them.	Use a range of attacking and defending skills and techniques in a game. Use fielding skills as an individual to prevent a player from scoring.	Choose the best tactics for attacking and defending. Shoot in a game. Use fielding skills as a team to prevent the opposition from scoring.	Think ahead and create a plan of attack or defence. Apply knowledge of skills for attacking and defending. Work as a team to develop fielding strategies to prevent the opposition from scoring.
Follow simple rules.	Follow simple rules to play games, including team games. Use simple attacking skills such as dodging to get past a defender. Use simple defensive skills such as marking a player or defending a space.	Understand the importance of rules in games. Use at least one technique to attack or defend to play a game successfully.	Apply and follow rules fairly. Understand and begin to apply the basic principles of invasion games. Know how to play a striking and fielding game fairly.	Vary the tactics they use in a game. Adapt rules to alter games.	Know when to pass and when to dribble in a game. Devise and adapt rules to create their own game.	Follow and create complicated rules to play a game successfully. Communicate plans to others during a game. Lead others during a game.
Control my body when performing a sequence of movements. Participate in simple games.	Perform using a range of actions and body parts with some coordination. Begin to perform learnt skills with some control. Engage in competitive activities and team games.	Perform sequences of their own composition with coordination. Perform learnt skills with increasing control. Compete against self and others.	Develop the quality of the actions in their performances. Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner.	Perform and apply skills and techniques with control and accuracy. Take part in a range of competitive games and activities.	Consistently perform and apply skills and techniques with accuracy and control. Take part in competitive games with a strong understanding of tactics and composition.	Perform and apply a variety of skills and techniques confidently, consistently and with precision. Take part in competitive games with a strong understanding of tactics and composition.
Talk about what they have done. Talk about what others have done.	Watch and describe performances. Begin to say how they could improve.	Watch and describe performances, and use what they see to improve their own performance. Talk about the differences between their work and that of others	Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.	Watch, describe and evaluate the effectiveness of performances, giving ideas for improvements. Modify their use of skills or techniques to achieve a better result.	Choose and use criteria to evaluate own and others' performance. Explain why they have used particular skills or techniques, and the effect they have had on their performance.	Thoroughly evaluate their own and others' work, suggesting thoughtful and appropriate improvements

DANCE						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
<p>Join a range of different movements together.</p> <p>Change the speed of their actions.</p> <p>Change the style of their movements. Create a short movement phrase which demonstrates their own ideas.</p>	<p>Copy and repeat actions.</p> <p>Put a sequence of actions together to create a motif.</p> <p>Vary the speed of their actions.</p> <p>Use simple choreographic devices such as unison, canon and mirroring.</p> <p>Begin to improvise independently to create a simple dance.</p>	<p>Copy, remember and repeat actions.</p> <p>Create a short motif inspired by a stimulus.</p> <p>Change the speed and level of their actions. Use simple choreographic devices such as unison, canon and mirroring.</p> <p>Use different transitions within a dance motif.</p> <p>Move in time to music.</p> <p>Improve the timing of their actions</p>	<p>Begin to improvise with a partner to create a simple dance.</p> <p>Create motifs from different stimuli. Begin to compare and adapt movements and motifs to create a larger sequence.</p> <p>Use simple dance vocabulary to compare and improve work.</p> <p>Perform with some awareness of rhythm and expression</p>	<p>Identify and repeat the movement patterns and actions of a chosen dance style.</p> <p>Compose a dance that reflects the chosen dance style. Confidently improvise with a partner or on their own.</p> <p>Compose longer dance sequences in a small group.</p> <p>Demonstrate precision and some control in response to stimuli.</p> <p>Begin to vary dynamics and develop actions and motifs in response to stimuli.</p> <p>Demonstrate rhythm and spatial awareness.</p> <p>Change parts of a dance as a result of self-evaluation.</p> <p>Use simple dance vocabulary when comparing and improving work.</p>	<p>Identify and repeat the movement patterns and actions of a chosen dance style.</p> <p>Compose individual, partner and group dances that reflect the chosen dance style.</p> <p>Show a change of pace and timing in their movements.</p> <p>Develop an awareness of their use of space.</p> <p>Demonstrate imagination and creativity in the movements they devise in response to stimuli.</p> <p>Use transitions to link motifs smoothly together.</p> <p>Improvise with confidence, still demonstrating fluency across the sequence.</p> <p>Ensure their actions fit the rhythm of the music.</p> <p>Modify parts of a sequence as a result of self and peer evaluation.</p> <p>Use more complex dance vocabulary to compare and improve work.</p>	<p>Identify and repeat the movement patterns and actions of a chosen dance style.</p> <p>Compose individual, partner and group dances that reflect the chosen dance style.</p> <p>Use dramatic expression in dance movements and motifs.</p> <p>Perform with confidence, using a range of movement patterns.</p> <p>Demonstrate strong and controlled movements throughout a dance sequence.</p> <p>Combine flexibility, techniques and movements to create a fluent sequence. Move appropriately and with the required style in relation to the stimulus, e.g. using various levels, ways of travelling and motifs.</p> <p>Show a change of pace and timing in their movements. Move rhythmically and accurately in dance sequences. Improvise with confidence, still demonstrating fluency across their sequence.</p> <p>Dance with fluency and control, linking all</p>

DANCE						
EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
						<p>movements and ensuring that transitions flow.</p> <p>Demonstrate consistent precision when performing dance sequences.</p> <p>Modify some elements of a sequence as a result of self and peer evaluation.</p> <p>Use complex dance vocabulary to compare and improve work.</p>
Control my body when performing a sequence of movements.	Perform using a range of actions and body parts with some coordination. Begin to perform learnt skills with some control.	Perform sequences of their own composition with coordination. Perform learnt skills with increasing control. Compete against self and others.	Develop the quality of the actions in their performances. Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner.	Perform and create sequences with fluency and expression. Perform and apply skills and techniques with control and accuracy.	Perform own longer, more complex sequences in time to music. Consistently perform and apply skills and techniques with accuracy and control.	Link actions to create a complex sequence using a full range of movement. Perform the sequence in time to music. Perform and apply a variety of skills and techniques confidently, consistently and with precision.
Talk about what they have done. Talk about what others have done.	Watch and describe performances. Begin to say how they could improve	Watch and describe performances, and use what they see to improve their own performance. Talk about the differences between their work and that of others.	Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.	Watch, describe and evaluate the effectiveness of performances, giving ideas for improvements. Modify their use of skills or techniques to achieve a better result.	Choose and use criteria to evaluate own and others' performances. Explain why they have used particular skills or techniques, and the effect they have had on their performance.	Thoroughly evaluate their own and others' work, suggesting thoughtful and appropriate improvements.
